

HOMEBRIDGE

HOME CARE PROVIDER I

As a Home Care Provider I (HCP I) you carry out the mission of Homebridge to provide high-quality home care and supportive services to the elderly and people with disabilities, enabling them to live safely and independently in their homes and community. At Homebridge we work with a high risk, high needs population of individuals who may struggle with mental health conditions or substance abuse, live in SROs or shelters, and/or do not have a strong personal support system. You will begin your home care career in our nationally recognized basic caregiver training program.

The Basics

Personal Care Services

Home Care Providers assist Homebridge Clients with personal safety and hygiene. Bathing, grooming, bowel and bladder care are all common tasks.

Domestic Care Services

Cooking, cleaning, laundry, and grocery shopping are just a few of the common household tasks. We support Homebridge clients with keeping their homes and environments safe.

Communication and Teamwork

Work as part of a team to provide the best care possible to people in our communities. Use your people skills to establish connections, build relationships, and advocate for the Homebridge clients under your care.

Paid Training & Career Advancement

Home Care Providers receive paid New Hire Training when starting employment. Additional paid training and career advancement opportunities are provided to support high-needs clients safely and effectively.

You could be a good fit if you...

- Have a sincere desire to help people in need and provide them compassionate care
- Are able to work and travel in all areas of San Francisco
- Are someone our clients can count on, are dependable, arrive on time, and follow careful instructions
- Are comfortable providing personal care services to others
- Enjoy cooking, cleaning, and other household chores
- Can apply your training and make quick decisions
